Council Regulation (EU) 2023/1214 of 23 June 2023 amending Regulation (EU) No 833/2014 concerning restrictive measures in view of Russia's actions destabilising the situation in Ukraine

Dear Ladies and Gentlemen,

with the above-mentioned regulation the European Union has published its eleventh sanctions package with further restrictive measures against Russia. Article 3g (1) of the aforementioned EU Regulation contains a ban on the direct or indirect import or purchase of iron and steel products listed in Annex XVII of the Regulation after 30 September 2023 if they have been processed in a third country using iron and steel products listed in Annex XVII originating in Russia.

We hereby confirm that the products sold by us have at no time been manufactured in Russia or produced from precursors that are of Russian origin. For all products placed on the market by us we have got corresponding certificates of origin from our suppliers which provide proof of this.

If you do have any questions about our products and their origin or production chain please do not hesitate to contact us at any time.

With kind regards,

(Jürgen BEESEN, Managing Director)
